**From the Desk of Rep. Denson**

Dear Neighbor,

Summer is almost over, but we are not slowing down in the legislature. The Ohio House Democrats are bringing the Statehouse to your communities and neighborhoods across Ohio! Our People First Town Hall will connect you with your Democratic lawmaker to find out what we're doing to put more money in your pocket and protect your fundamental freedoms— like making health care decisions. More importantly, you'll have the opportunity to ask questions and offer input on other issues facing your community.

I believe that wherever you come from and whatever your background, everyone should have the opportunity to raise happy, healthy families. That's why I want to share how my work on a comprehensive People First agenda will improve our quality of life in the Buckeye State. Putting People First means working together to ensure all Ohioans—no matter your race, gender or economic status—have the freedom to be who they are, the dignity of a safe community and secure job, and the opportunity to thrive.

These town hall events are free and open to the public. I will be hosting a virtual town hall event the last week of October, exact details will be provided in next month's newsletter so be on the lookout! I encourage you to come and bring your own view on our community's needs.

Please do not hesitate to contact my office with any questions, comments or concerns.

*Sedrick Denson*

**District Spotlight**

Earlier this month Rep. Denson had the opportunity to tour Columbia Township and speak with constituents at their September townhall meeting! During his visit Rep. Denson learned about the personal aspirations and concerns of Columbia residents as well as the ambitions of the Township as a whole. Despite being one of the geographically smallest Townships in Ohio, Columbia Township is culturally, socio-economically and logistically diverse. Rep. Denson is proud to represent such a vibrant place in his district.

The importance of community cannot be overstated. It's the driving force behind progress and positive change. Rep. Denson believes that by understanding the unique qualities of each township in his district, he can better serve the needs and aspirations of his constituents.

In the future, he looks forward to visiting other townships and villages within district 26 to learn more about their unique communities

## Rep. Denson and SW Delegation Visit District Warehouses

September has been an exciting month in District 26! Earlier this month, Rep. Denson and fellow Cincinnati legislators had the privilege of touring multiple local wine and beer warehouses. Thanks to The Wholesale Beer and Wine Association of Ohio, representatives were able to visit two of their member's warehouses to see firsthand how beer and wine are distributed in Ohio. These small family-owned distributors deliver across

the state, including district 26, and provided a behind-the-scenes tour to better understand how beer and wine get from the brewer and winery to our grocery stores and local restaurants. This experience was not only a great learning opportunity but also showcased how beneficial and essential small distributors are for the economy and the community.

## Rep. Denson Remembers 9/11

September 11, 2001 is a day that we will never forget. The horrifying attacks on our country killed 2,977 people from 93 nations, including 441 brave emergency responders.

These attacks have had a lasting impact on America and the world. I continue to extend my sincere gratitude to the brave men and women who have since served overseas to protect our country. I will always prioritize bills that help support first responders, active military members, veterans, and their families to honor those who serve our nation.
